	30 th June		31 st July

UPDATE ON COUNCIL COORDINATED/RUN/HOSTED EVENTS:

Marong Picnic – held 30th August and a success at 700+ cars and other items on display. Lots of interest in the raffle and prizes. A reasonable day weather wise. Of concern is the movement of vehicles and the people now seem to want to come and look for an hour and then go and then more come and do the same. This we need to address as it increases vehicle movement and increases public risk.

RESTRICTED/CONCESSIONAL REGISTRATION UPDATE:

All traveling Ok once more with the move from 25 years eligibility to 30 to match the rest of Australia with Federation supports. Still looking at what a Club needs to be holding or covered with to be out there in the public. Looking at Replica vehicles and here we allow them straight onto CPS which again is out of step with the rest of the country.

COUNCIL NEWSLETTER & WWW ARTICLE HIGHLIGHTS:

Our main focus this time is the 40th anniversary of our Swap at Bendigo. Its on the 14th and 15th November. Its all arranged and we anticipate a good crowd with lots to buy once more.

NATIONAL MOTORING HERITAGE DAY EVENTS – PLANS/DETAILS:

We will obtain a list next Delegates meeting in 2 weeks and have that for the next report.

UPDATE RE NATIONAL EVENT/RALLY 2020:

Nothing from Fed Vic as we are not on the Committee.

INDUSTRY TOURS OR SEMINARS PLANNED/CONDUCTED:

Nil

OTHER BUSINESS:

Having some discussions with a new Farmer Support Group and looking to help with their fundraising to support farmers who are not coping with the challenges of life. Certainly in the Northern half of Victoria this is a huge concern presently as the crops die in the ground.

Lake Goldsmith on the 31st October are supposed to have a procession of 10 Steam Trucks for the 16 k's from Beaufort to the rally. Very unique in the World.
