RESTRICTED/CONCESSIONAL REGISTRATION UPDATE:

Clubs are monitoring movement of members between clubs who have not fulfilled the requirements at one club so move to another to hopefully get more relaxed guidelines.

Clubs are doing a great job in making it difficult for members to join a new club for the wrong reasons.

Members are being asked "have you previously been a member of a local club"? This gives the committee the opportunity to check with the former club the members previous contribution, or lack of.
