

This is a National event, open to Veteran, Vintage and historic vehicles, more than 25 years old - with Historic caravans, motor cycles and commercial vehicles are encouraged to enter.

We will be showcasing the historic vehicles to the public, media and government departments.

Daily tours will be split up into 8 groups with all vehicles driving the same routes, though on different days. For the enjoyment of all, the groups will be split - e.g. Veteran are not driving with later model vehicles. Motorcycles will not be driving with the cars, trucks and caravans.
