NATIONAL MOTORING HERITAGE DAY EVENTS – PLANS/DETAILS:

A great day had with about 70 cars participating.

UPDATE RE NATIONAL EVENT/RALLY 2020:

The 2020 Event sounds great.

A suggestion – The Red CentreNats in Alice Springs (1st weekend in September) was a huge success. Within 2-3 days of the event, every hotel and caravan park was booked out for next year's event. The NT Government has committed to a 5 year deal with Summernats.

Maybe, for the 2020 National event, clubs could plan to converge on Alice Springs to make the Red CentreNats part of it.

OR

Darwin clubs could carry the "Said" item to Alice Springs and meet with a WA club who could then get it across the Nullarbor and up the east coast from there.

OTHER BUSINESS:

The council has not had a meeting since April due to the Executive Officer being injured. The Chairman is currently overseas and the Executive Office will be same for the month of October. Our planned next meeting will be the AGM in November.
