

AHMF 2020 National Motoring Festival

Albury - Wodonga

Presentation: AHMF AGM - 28th & 29th September 2018

Welcome to the most important date on the calendar – Saturday 29th March – Friday 3rd April 2020

This festival is NOT “*just another rally*”, not even a variation of the traditional rally. We are turning tradition on its ear; we are giving you something new, fresh, family-fun and affordable. We will showcase the fantastic motoring roads, scenery and attractions Albury-Wodonga districts have to offer and, more importantly, we will have fun!

We have started with a clean slate. We have no pre-conceived ideas of what should or shouldn't or can or can't be done. We have the attitude of, “*Why can't it be done?*” We will deliver to you, a festival you will not want to miss!

We need to cater for a range of vehicles and their ages and to make this enjoyable for the drivers and passengers. We have, therefore planned shorter and longer routes with options available.

Each day, we start from the same location; The SS&A Club in Albury (*The Albury Sailors Soldiers & Airmen's Club Limited*) is our base for the festival.

This is an international event. Most of us have friends overseas involved in the old car movement. Tell them about the Festival. Convince them to come along. Make it easy for them; lend them one of your spare vehicles. We already have attendees from Singapore. It will be great to welcome entrants from several other countries also.

Email the flyer to your friends – in Australia and overseas.

LET THE FESTIVAL BEGIN!!

What vehicles are eligible?

- This event is open to Veteran, Vintage and historic vehicles, more than 25 years old.
- Cut-off date – vehicles manufactured on or before 28th March 1995
- Historic caravans, motor cycles and commercial vehicles are encouraged to participate.
- Daily tours will be split up into 4 or 8 groups with all vehicles driving the same routes, though on different days. For the enjoyment of all, the groups will be split - e.g. Veteran are not driving with later model vehicles. Motorcycles will not be driving with the cars, trucks and caravans.

NOTE - This event does not cater for Hot Rods, Street rods and highly modified vehicles as they are represented by their own organisations.
