## **NATIONAL CULTURAL HERITAGE COMMISSION**

I need to retract information supplied in the June Update. I stated, an example of vehicles that have been exported and we believe should have been protected under the act was a 1927 Bentley 4 ½ litre was sold at MotorClassica in 2013

I stated it was believed to have been owned by Dame Nellie Melba. This is not correct; it is not linked to Dame Nellie Melba.

We look forward to seeing you all at the AGM.

Cheers, Christine
