REPORT FOR AHMF AGM 2024

With the current and ongoing increase in costs QHMC has continued to keep expenses under control however there is a small fee increase for the 2024-25 years to cover expected rental and insurances costs.

Delegates continue to be engaged at meetings with many issues being voiced and action taken.

EVENTS

National Motoring Heritage Day

QHMC held a very successful, though smaller National Motoring Heritage Day event this year (2024) with 56 vehicles (including 1 Veteran, 3 Vintage) with a run to Historic Lota House. Also a donation was given to a local charity supporting people in need in the Redlands area.

QHMC is continuing to provide financial support to its member clubs hosting substantial events on the day, thus promoting NMHD further throughout the state.

MEETINGS

QHMC holds meetings 11 times annually, on the 4th Thursday of every month, except December. The November meeting also being a Pizza night.

WEBSITE

The QHMC website is working well. Please have a look www.qhmc.net.au. The website is updated regularly with minutes, agendas, newsletters, news items, calendar of events and more.

REGULAR NEWSLETTERS

The newsletters provide our member clubs with relevant news items and important information for their benefit.

The newsletters are emailed to the member clubs to forward on to their members. They are also on the QHMC website for all to access.

TRANSPORT & MAIN ROADS

Recreational Motor Vehicle Safety Group (RMVSG)

RMVSG holds Meetings 2-3 times per year.

QHMC still has a more direct line into Transport and Main Roads (TMR) to address procedural and clarification problems brought up by the member clubs.

EMERGING ISSUES

There are several current and emerging issues relating to Historical Vehicles about their usage and possible existence that QHMC are monitoring, addressing and actioning. These are contacting and meeting interested parties including Politicians.

Due to these increasing pressures QHMC will attempt to recruit new Member Clubs.
